To the employees of Bank Star:

The Hillsboro Food Pantry is grateful for your recent donation of food items. We gave the cooked hamburgers and hotdogs to volunteers who were present for the yard sale on Saturday, August 17. The rest of the food is being distributed to the clients. All of the items, the chips, buns, BBQ sauce, ketchup, mustard and cheese, are treats for our clients.

Thank you so very much for thinking of the Pantry. Food is a basic need and there are many who do not have the means to provide this commodity for themselves and their families. All donations are important and appreciated.

Sincerely,

Connie Browning, Director  
Hillsboro Food Pantry
